“BEAUTY is helping others.”

SHAQUASIA, 14, has sickle cell anemia and has had to work to overcome a stroke. She feels especially empowered by attending school and got her own modeling lesson when she spoke to J. Alexander from *America's Next Top Model*, who gave her some tips about posing. It was definitely the most exciting part of the day for her.

“The whole day was **AMAZING**—how everything was planned, how nice the people were, and how unbelievable the fashion was!”

SARAH, 17, has acute lymphatic leukemia and loved everything about her special day. She believes that beauty on the inside means feeling great about your own accomplishments and never reveling in the misfortunes of others. Sarah feels most empowered when she thinks about the people in her life who are there for her, no matter what.

Sarah is wearing LashBlast Length mascara in Very Black, Smoky ShadowBlast in Silver Sky, and ShineBlast lipgloss in Dazzle.
