

“Being diagnosed with a brain tumor at age 12 has molded me into the **STRONG YOUNG WOMAN** I am today.”

**ALENA, 16**, has a brain tumor and remembers the obstacles she has overcome when she's challenged with a difficult task. "I look back and remember the pain and struggle I went through and say to myself, 'If I can overcome that, I can overcome anything.'" Alena says that her wish day was one of the best days of her life and that she smiled so much, her jaws hurt!

“MY DAY WAS **AWESOME.** I RECEIVED A LOT MORE THAN WHAT I EXPECTED.”

**RAVEN, 18**, has sickle cell anemia. She's an ardent fan of *America's Next Top Model* and aspires to be a model someday, so this day was really thrilling for her. She loved how many new people she met and being in front of the camera.

**And not only did each of these remarkable young women have her wish to be a cover girl fulfilled,**

they all left with armfuls of designer gifts and bags overflowing with COVERGIRL makeup. Make-A-Wish Foundation and COVERGIRL were thrilled to help create memories that will last forever. Because every day we see what makeup does for your outside, and on our best days, we see what it does for your inside.
