**INTRODUCING THE NEW 2010 VOLVO XC60 3.2 WITH CITY SAFETY.**

We're raising the already high bar of Scandinavian design even higher. We've achieved best-in-class fuel efficiency. We've included a laminated panoramic roof. And we've even fortified the new XC60 with our latest safety innovation. City Safety comes standard, which means the XC60 will apply its own brakes to help avoid a low-speed collision. Now that's what we call functional design. It's the first Volvo to stop traffic. And itself. All for you, from Sweden with LöV.
