

MAKE-A-WISH. COVERGIRL

IT'S THE STUFF THAT
DREAMS ARE MADE OF!

COVERGIRL,
Baltimore's biggest
beauty company,
and the Make-A-Wish
Foundation teamed
up to grant four
young women their
ultimate wish: to be
a real **COVERGIRL**
for a day.

On August 28, 2009, Raven, Sarah, Alena and Shaquasia spent the day as cover girls at a photo shoot in New York's Milk Studio. Stylist Mary Alice Stephenson, photographer Don Flood and makeup artist Romy Soleimani were on hand to make the day exciting, glamour-filled and unforgettable. With jewelry, shoes and gowns galore donated by the biggest names in fashion, each cover girl stepped in front of the lens and turned on her amazing inner and outer beauty for the camera to capture. Let's meet these gorgeous and very courageous cover girls.
